

Thank you for sharing your views on the Auckland Light Rail Project.

Over the last two months we've heard Aucklanders' views on this project and what they value about their communities and our city.

Thank you for the:

- 2300+ online feedback forms
- 330+ paper and freepost feedback forms
- Conversations at 14 community events, 20 workshops, 14 stakeholder presentations/ briefings and 28 stakeholder meetings
- Dozens of emails and phone calls

What will happen next?

The team will use all feedback received to create an engagement report to be issued to the Minister of Transport at the end of September alongside the Light Rail business case and recommendations.

The Minister will announce next steps for the project by the end of 2021.

We will report back to you after an announcement has been made and share a summary report with you about what people shared during the engagement period.

Ongoing opportunities to get involved

If a decision is made to progress the project, there will be opportunities to give feedback during the next phase. For example, the location and design of stops or stations, route and community connections.

Stay informed

Please sign up to our database – the engagement is over (for now!) but work continues and we'd love to share upcoming milestones with you.

Stay tuned for the next phase and more opportunities to contribute to Light Rail for Auckland.

Best regards

The Auckland Light Rail Team
